No. GS/AR/ERPOA/2017/Sept

Date 09.09.2017.

To,  
Hon'ble Minister of Railways

Respected Sir,

**Sub: Memorandum from the Promotee Officers  
During his visit at Kolkata on 09.09.2017.**

Manpower is the main strength of Indian Railways. If, this mammoth size of manpower remains in distress and depressed, it is difficult to maintain safety at fields. Naturally accidents cannot be avoided.

Gr.-B officers are very much involved with the safe running of the trains. Now, this group of officers are demoralised and the victim of the circumstances. Their posts are being kept vacant. They are not being paid the salary at par with their colleague Gr.As. Their promotional avenues stopped. Therefore, we propose the following demands for your kind consideration please:

- 1 Allotment of level 9 on promotion in group B (Jr. Scale Officers)
- 2 Financial up gradation in level 10 for all group -B officers including Miscellaneous cadre after completion of 04 years

PTO

- 3 Centralised Online Selection for filling up vacancies in Gr.B Cadre & publication of it's Calendar
- 4 Carrier prospects for Miscellaneous Cadre
- 5 Timely conduction of DPC for promotion in group A as per DOPT calendar. In case of delay seniority & monetary benefits w.e.f. due date of vacancy
- 6 Assessment of vacancy in true sprit in the ratio of 50:50 among Direct and Promotee officers. Implementation of seniority and promotion rules in true sense, which are being continued since decades.
- 7 Work charged posts being used for regular nature of work should be regularized as permanent posts
- 8 Online Booking of ORH/Holiday Homes
- 9 4-G SIM for Jr. Scale & Sr. Scale officers
- 10 Transparent policy for transfer, posting & job distribution.

We seek justice and hope that our above legitimate demands will be considered sympathetically.

with regards
